DANIEL HEFFEZ, **Musical Director, Tenor Saxophone**

Born and raised in New York City, Daniel started playing the saxophone at the age of 6. While at The Crane School of Music in New York, he studied classical performance with internationally recognized Saxophonist Tim McAllister and Jazz Improvisation with world renowned Trombonist Bret Zvacek. Inspired by the great history of jazz, he relocated to the West Coast and founded Nova Jazz.

Daniel is a well respected saxophonist in San Francisco's jazz community and has received impressive press coverage including a front page feature in the SF Chronicle's Datebook section, July 2007. In addition to coordinating Nova Jazz, Daniel composes original music and can also be seen playing with Lenny Williams of *Tower of Power* and also with *The Family Stone Experience*.
